I understand that:

1. The training sessions are being held at a variety of locations throughout the Texas Panhandle and that class time does not include travel time.

2. *Tentative schedule means: Dates, times, locations, and instructors may be changed due to circumstances beyond the control of the Panhandle Chapter, Texas Master Naturalists. Participants will be contacted by email as far in advance as possible if changes occur.

Training Contact: Ginger Frazier. Phone: 806-367-0648, Email: frazier090@yahoo.com
